

Greetings in Christ,

Josh has just started his second quarter of his second year at seminary. This past fall quarter he enjoyed his pastoral theology class with Professor Saleminck. He finished his fall quarter with good marks and thoroughly enjoyed his first break over Thanksgiving! Catherine and Gideon were glad to have him home for a couple of weeks. We were blessed to be able to see both sides of the family and are looking forward to visiting with Josh's folks in Clare, MI over Christmas. During this quarter he is looking forward to his ethics class with Dr. Grobein, writing a paper on demon possession, and playing basketball.

Our son, Gideon, is growing fast! He just turned seven months old and has started solid foods. It has been so fun to watch him eat food for the first time. He loves eating pears and bananas and munching on celery. He also has two little teeth and is a couple bold moves away from crawling! Gideon has been such a blessing to us and we thank God for him. He was able to spend some quality time with his grandparents, great grandparents, uncles and aunt over Thanksgiving. He has also just learned how to clap - what a joy!

Catherine has recently re-learned how to sew and has been having a blast making gifts for Christmas. She is excited to one day make clothes for Gideon and maybe even quilt! She also made einkorn sourdough bread from wheat berries given to us from the seminary co-op, and it was tasty! She is rejoicing greatly in her ability to stay home with Gideon and delights in being his mother.

Thank you for your continued prayers and support of our family. Your gifts have enabled us to visit our families over holidays and start some Christmas traditions of our own with Gideon. During this Christmastide, we pray that you all enjoy time with your loved ones and rejoice in the birth of our Savior!

Thank you and Merry Christmas!

Josh, Catherine and Gideon Camp
